

HURRICANE HARVEY:

HOW YOU CAN HELP HOSPITAL EMPLOYEES

Please help support the Texas hospital employees whose lives have been impacted by the devastating destruction caused by Hurricane Harvey. While thousands of our colleagues work around the clock to serve emergency response efforts, their families are being affected by this historic storm and flooding damage.

The Texas Hospital Association has provided ways to help. For information on how to help or to make a donation, visit:

www.tha.org/Harvey/ReliefFund

All funds will directly assist hospital employees in Federal Emergency Management Agency-designated disaster areas; administrative services are being provided in kind so that 100% of donated funds will be used to assist hospital employees.
