SHARE YOUR HEART DURING NATIONAL HOSPITAL WEEK

Elkridge, Md. – National Hospital Week is celebrated May 10-16. During this weeklong event Marylanders have an opportunity to show their appreciation for the dedicated caregivers working 24/7 on the front lines of the fight against the COVID-19 pandemic.

The Maryland Hospital Association (MHA) is launching the #HeartsforHealthcareWorkers campaign on Sunday, inviting family, friends and neighbors to show their thanks for a hospital worker in their life and to invite others to do the same.

Details about the campaign can be found here: mhaonline.org/heartsforhealthcareworkers.

By showing appreciation via social media, Marylanders can offer messages of gratitude from the safety and comfort of their homes, while our state's health care heroes work to keep their communities healthy.

"Maryland's more than 100,000 dedicated hospital employees are always appreciated, but at times like this we really see how valuable they are," says Bob Atlas, president and CEO of MHA. "Their commitment to caring for Maryland throughout this public health emergency is inspirational. We look forward to spreading the love during National Hospital Week."

TO PARTICIPATE:
Show your support for the state's nonprofit hospitals and health systems and all their team members by:
- Taking a photo or video thanking your favorite hospital workers
- Tag those three
- Challenging three of your other friends and family to do the same
- Tag those three
- Tag the hospital that has saved or cared for you, your family or friends
- Add #HeartsforHealthcareWorkers
